

Calling All Instructors

The WBF is excited to announce the offering of S88 & S95 training courses. We are recruiting course instructors who have demonstrated superior knowledge of these standards. If you have any interest please contact the WBF member below to apply.

Requirements

- ⇒ Active member of the WBF
- ⇒ Expert knowledge of subject matter
- ⇒ Must develop and maintain course curriculum with selected course instructors
- ⇒ Willing to travel to training site locations to host class
- ⇒ Prepare class literature for course assignments
- ⇒ Grade and evaluate course results
- ⇒ Participate in the evaluation and selection of the class locations

Instructors will develop the course curriculum and host training classes at strategic locations.

Benefits

- ⇒ Commitment rewarded by competitive base pay plus % of earnings.
- ⇒ Enhance your knowledge of the standards by working with a team of highly qualified instructors
- ⇒ Help the WBF generate additional revenue for growth
- ⇒ Satisfaction in knowing you are helping industry build smarter and more efficient processes

It's a Win-win for both parties.
